REC 2.2 2/2/07

In re Application of:

EYESTONE et al.

Application No.: 10/810,168

Filed: March 26, 2004

Title: METHOD AND SYSTEM FOR GOLF SWING ANALYSIS AND TRAINING

NOTIFICATION RE:
PRIOR ART CITATION

The prior art citation filed October 4, 2005 is an improper citation under 37 CFR 1.501(a). Under the statute, at any time during the enforceability of a patent, any person may cite patents or printed publications. As the instant application has not issued as a patent, but rather has gone abandoned as of August 6, 2007, a submission under 37 CFR 1.501 is not appropriate and will not be entered into the file.

Any inquiry regarding this decision should be directed to Colleen P. Cooke, Special Program Examiner, at (571) 272-1170.
